BOLLYGOOD

300 Verified Bollywood & Indipop Hits (1950s–2020s) • Official House Rules & Song Index

1. PARTY PHONE SETUP (BEFORE STARTING)

- Connect the iPhone to the party Bluetooth speaker and open the BollyGood Web App in Safari.
- Turn on Do Not Disturb (Control Center -> Focus -> Do Not Disturb) so personal notifications never pop up.
- Keep-Awake is built into the web app so the phone can sit on the table without locking.

2. TEAM SETUP

- Split into two or more teams (Deck A = 150 cards, Deck B = 150 cards).
- Deal each team 1 face-up starting card to begin their chronological Timeline, plus 2 BollyGood Tokens.

3. OPPOSING TEAM SCANS & PASSES THE CARD

- On Team A's turn, Team B draws the next card and scans the QR code on the iPhone.
- While Team A listens to the sample, Team B can quietly pass around the Answer side of the physical card.

4. QUALIFY FIRST (FILM + SONG, OR 'NO FILM' + ARTIST + SONG) -> THEN GUESS THE YEAR WINDOW!

- IF IT IS A FILM SONG: The guessing team MUST name both the FILM NAME and the SONG TITLE.
  (Naming the playback singer/artist is fun trivia, but is NOT required and gives no extra mileage on film songs.)
- IF IT IS A NO-FILM (INDIPOP) SONG: The guessing team MUST say 'NO FILM' + the ARTIST NAME + the SONG TITLE!
- Getting this right QUALIFIES the team to place the card into the proper YEAR WINDOW on their timeline!
- If their Year Window placement is chronologically correct (same year as an adjacent card counts on either side),
  they keep the card face-up in their timeline! First team to reach 10 Timeline Cards wins!

5. INK-SAVER BLACK & WHITE CARD & STICKER DESIGN

- All cards and stickers use zero background ink (transparent background) with pure Black text and a single crimson
  'BOLLYGOOD' header—zero decade color giveaways, and works on colored cardstock or clear/white Avery labels.

BOLLYGOOD MASTER SONG INDEX (Cards A-001 to A-050)
